Dear Recruiter,

I am writing to you in order to approach to you my resume. — just mentioned you are in the search for a Senior Software Engineer, so please take in account my CV for the position.

I enjoy developing innovative projects, collaborate in the design, and test new tools to accelerate the progress of the project. I tend to be a responsible and persevering. In the past I have worked on challenging projects, and I think I can help in the development of your project.

I would appreciate the opportunity to meet with you to discuss how my qualifications will be beneficial to your organization's success. I hope you contact me through my phone number (+54) 2477-536539.

Sincerely yours,

Eloy Adonis Colell
